# Teamwork.

Our hospital is a team working together. Every member is important.

Maybe you haven't thought of it before, but our hospital is more than doctors and nurses. It's carpenters. Secretaries. Plumbers. Accountants. Painters. Computer programmers. Therapists. Engineers. Janitors. Security officers. Librarians. Bakers. Writers. Cooks. Pharmacists. Cashiers. Photographers. Seamstresses. Printers. Social workers. And many others.

So as you plan your future, do what you do best.

And join our team.
