Dear Elder Vinglas,

The staff, along with the student body of Pioneer Valley Academy, is proud and grateful to you for the way you've stood by this school.

To some you're Papa Ving, to others the Patriarch of the school, a teacher, and the one man who knows where all the hidden facts of knowledge lie.

From CITADEL and the whole student body, we proudly dedicate this book to you, Elder R. V. Vinglas.

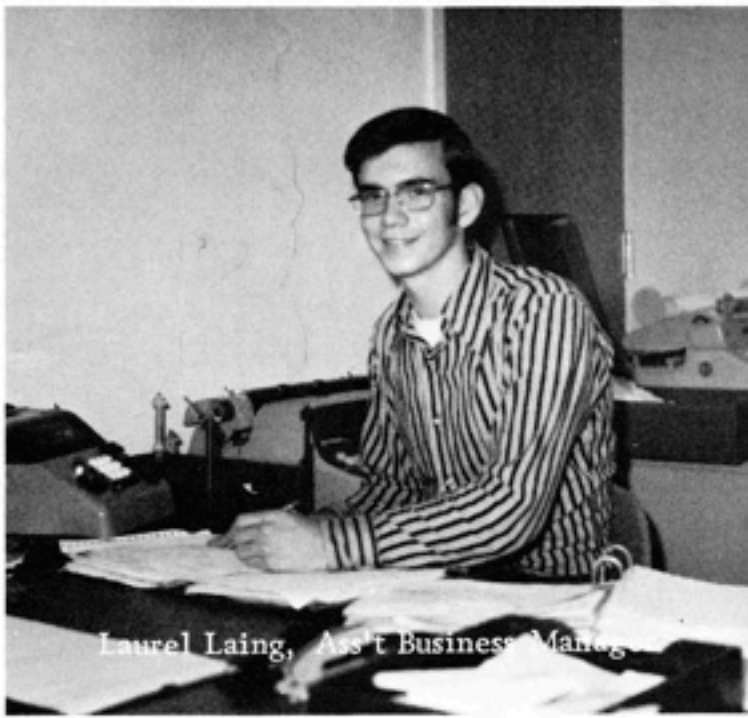

Sincerely,  
The Staff of '72

Each of us has his or her own memories  
and reflections, not only on this past year  
but on all the years spent here.

We each had our own reasons and motives  
for being  
here and in different ways have fulfilled  
our purposes.

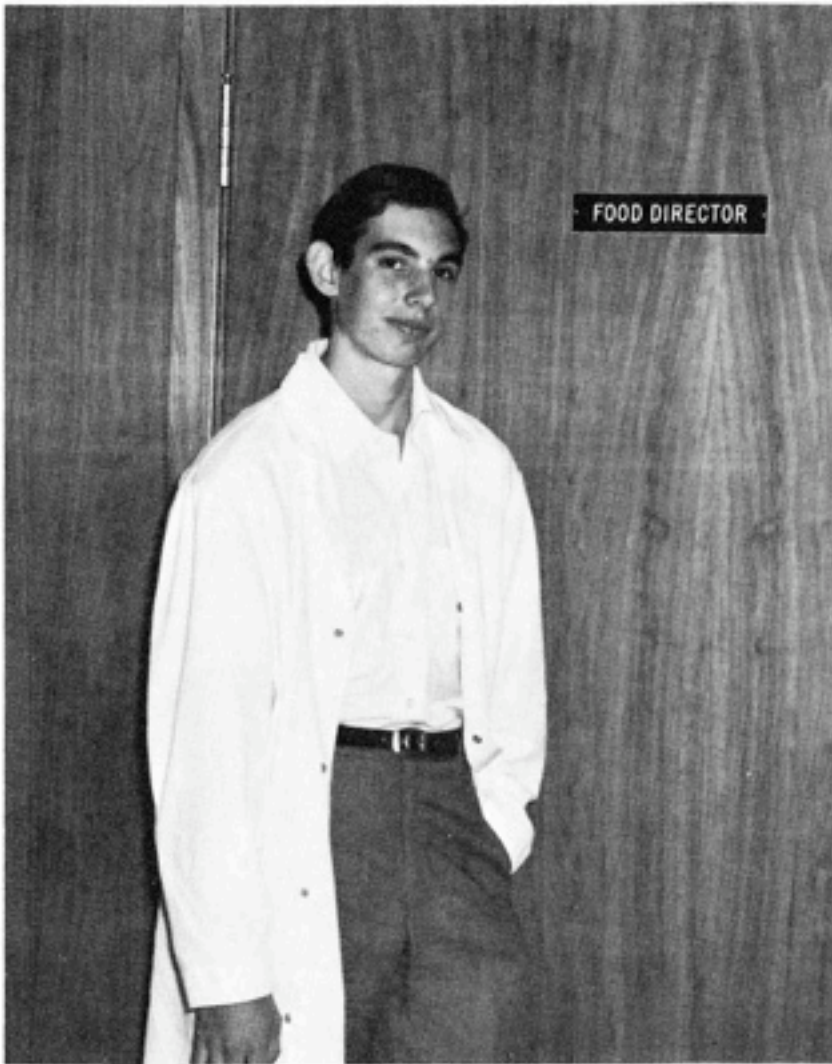

To the graduating class of 1972 — best  
of luck and may  
God always be a steady reflection in  
your lives.

Happiness is there where we put it,  
but we are never where we put it.

BOOKS FOR THE HOW

Now, Not Now, and Forever . . .

There are many things in life that need our attention Now. But the challenge before us is to be able to separate what we THINK is for Now, such as money, a car, a life partner, . . . from what is really vital for Now, such as work, a well developed mind, a partnership with Christ . . . If we are saying Now to the former and Not Now to the latter what are we saying about Forever?

My friends, are you willing to settle for that kind of Forever when a little less of self and a little more of Christ could change the whole picture? Now with Christ is for everyone.

Not Now to Christ will very decidedly eliminate some from Forever with Christ. Can you guarantee that you or one of your loved ones will not be among those eliminated? And should someone you know be eliminated, will it be because you said 'Not Now'? If your loved ones are saved it could be because you said Now to Christ. God Bless you as you consider your decisions regarding Now, Not Now, and Forever.

J. M. Knowles, Prin.

all is changed and is no more

## STUDENT DEACONS AND DEACONESS

This is it! It's done - finished!  
after many hours and endless  
nights - it's finished!

But... after all has settled  
down, after the staff has all  
finished celebrating - what then!  
Do I laugh or cry?!

To many people, it's just  
another yearbook. Just stick a  
couple pictures down and  
automatically - a yearbook.

But, tonight alone in my  
room, I'll cry - cry because  
I'll miss all the excitement  
we've had - the odd mixture  
of panic and excitement when  
those last deadlines came.

Tomorrow - there'll be no more deadlines

Tomorrow - no more Citadel

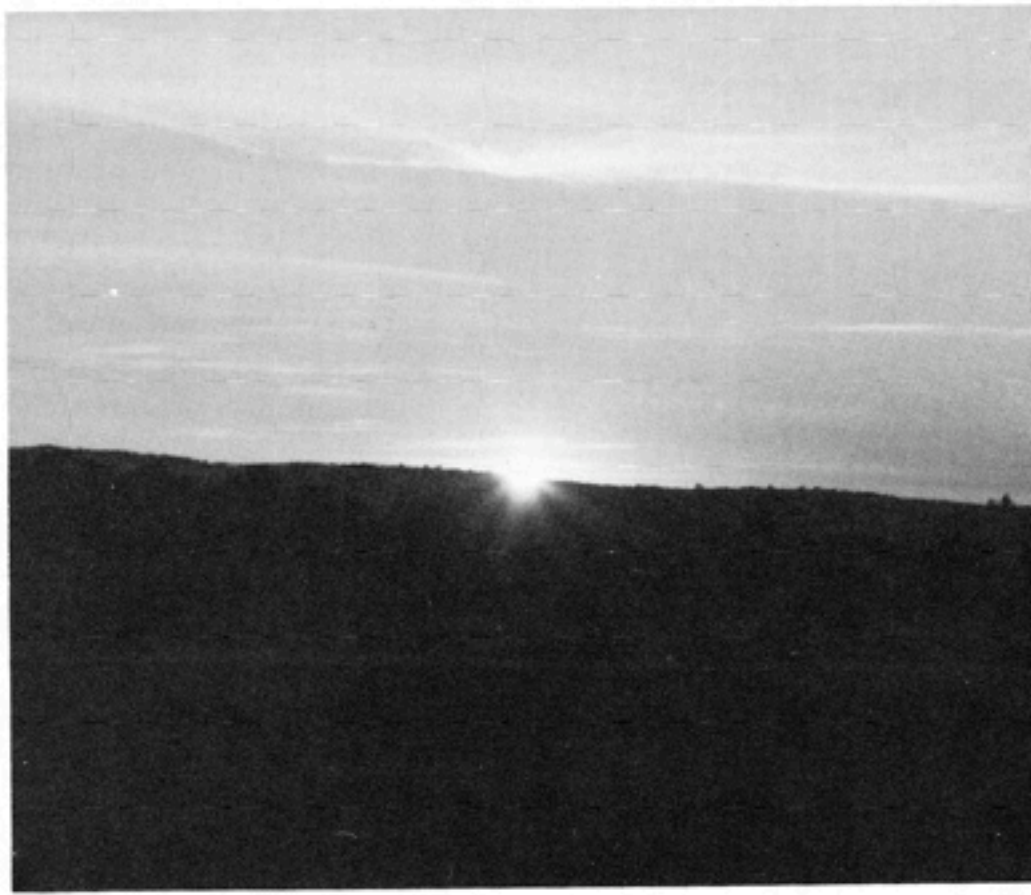

Tomorrow - I'll miss you.
