OUR ORCHARD

PVA is celebrating its first bumper apple crop this year, and for Dr. Bertram Beisiegel, it's a dream come true.

One bright fall Sunday in 1970, when John Knowles was principal, Dr. Beisiegel suggested that an apple orchard might be a good project for the school. The idea sparked enthusiasm, and an outlined plan was presented to the PVA Board in March, 1971.

The first apple trees were ordered that March, and in April and May, Farm Manager William Proctor, John Knowles, Dr. Beisiegel, and several students planted the first 315 trees in a hay field. PVA's old fire truck was used to water the newly planted trees, all of which had been donated by Dr. Beisiegel.

In September, 1971, additional land southwest of Ellis Hall was cleared by a bulldozer, hired with a donation of \$1,000.

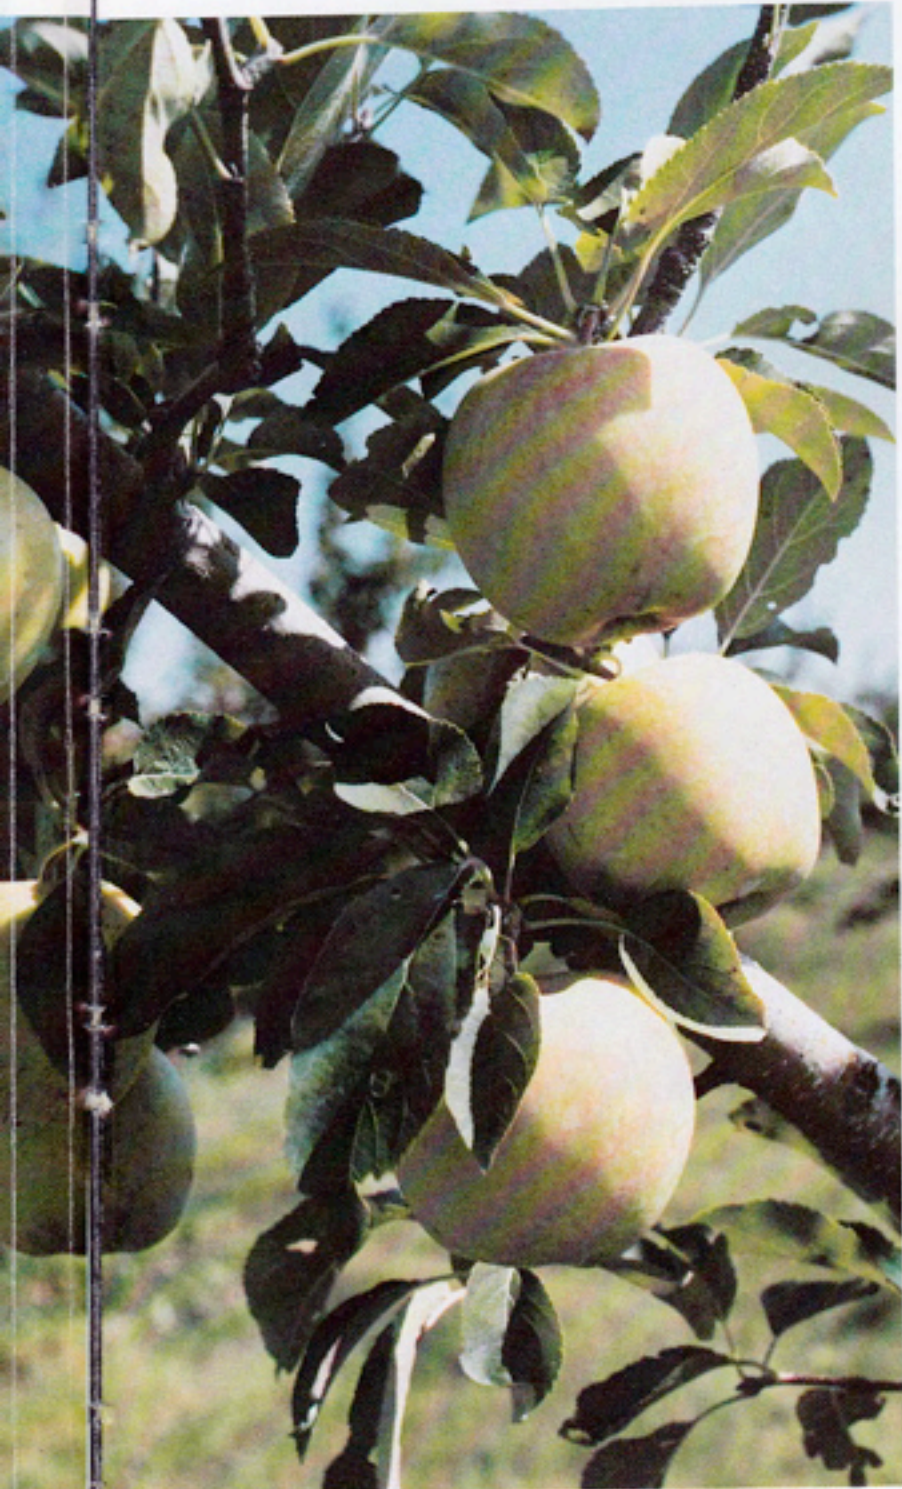

PVA planted 330 more trees in April, 1972, and 340 in 1973. Others were planted each spring up to 1978.

The varieties of apples in the orchard are McIntosh, McCoun, Empire, Red Delicious, Golden Delicious, Cortland, and Northern Spy.

Over the years, some trees have been lost to moisture, rodents, and careless pruning. In January, 1977, a vocational school horticultural class was invited to prune the trees. The damage done took years to restore.

The orchard received a shot in the arm when Joe Breyer became PVA's maintenance /grounds director. As a result of his dedicated pruning, spraying, mowing, and attention, the apple crop peaked at 1,000 bushels this year.

PRINCIPAL'S MESSAGE

Dear Students:

The faculty and staff of Pioneer Valley Academy dedicated this school year to the purpose of developing relationships that will glorify our Father in Heaven. You have learned this year what it means to have deeper relationships with your fellow students, with your faculty and staff, with your parents, and, above all, with your God. I believe that it was His plan for your life to attend P.V.A. this year. By taking advantage of the spiritual opportunities offered you, you have made progress toward becoming the man or woman God wills you to be. Continue to submit yourself to God that He can use you in service for others. Remember that "Communion with God encourages good thoughts, noble aspirations, clear perceptions of truth and lofty purpose of action. Those who thus connect themselves with God are acknowledged by Him

as His sons and daughters. M.Y.P. page 247.

Set aside a portion of each day to study God's word and commune with Him. Never forget that "Our growth in grace, and joy, our usefulness — all depend upon our union with Christ. It is by communion with him, daily, hourly — by abiding in him — that we are to grow in grace." Steps to Christ, page 69.

It has been a thrilling experience for me to assist you, as a friend, in your educational and spiritual development this year. I am proud of your accomplishments and will follow your progress with keen interest in the future. You will be a success if you allow Jesus first place in your heart.

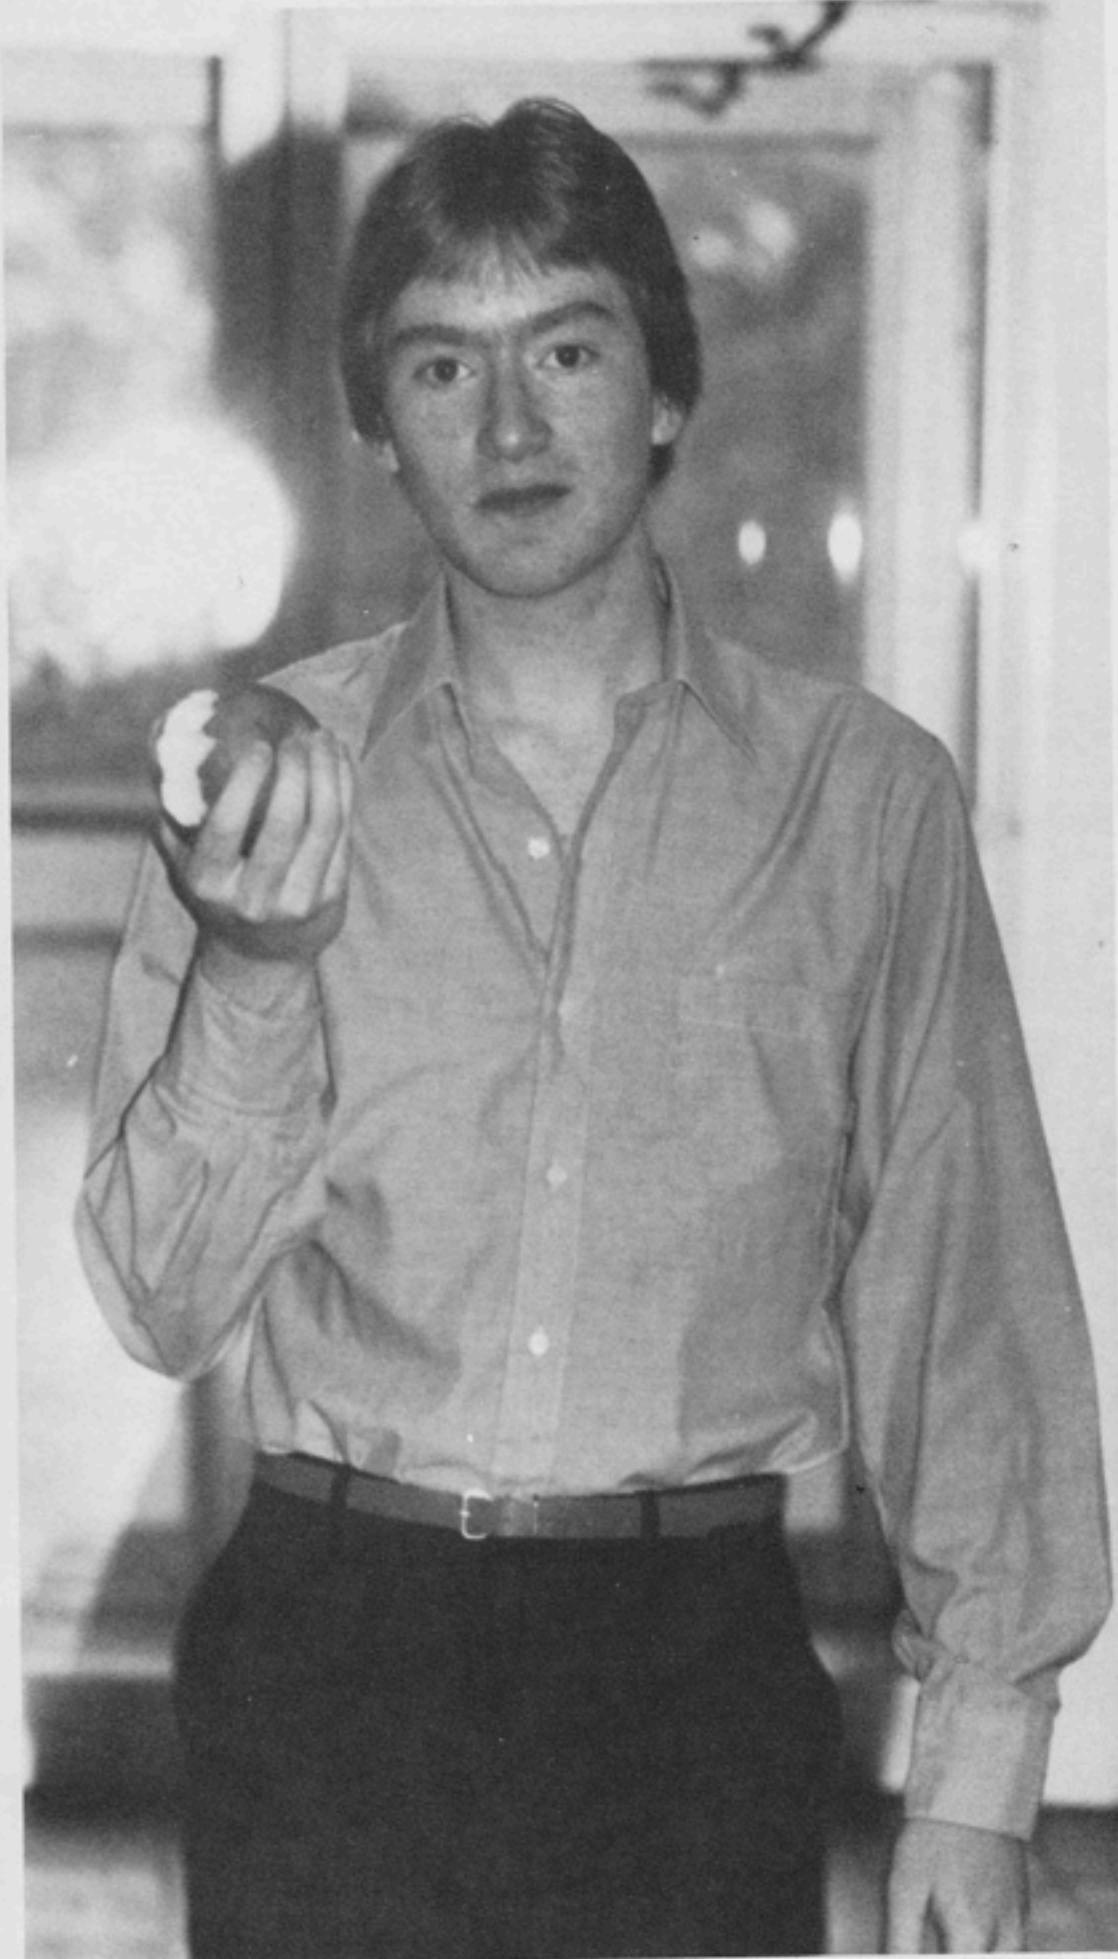

Your Friend,
Garry Sudds
Principal

EDITOR'S MESSAGE

During the past year it has been my privilege to serve you, the Student Body of PVA, as editor of the CITADEL.

As I look back on the tremendous effort and hard work the staff has put forth, it is my hope that this book will sufficiently recreate for you, in years to come, at least a portion of the good memories PVA has given you, in the 82-83 school year.

Gordon Beardwood
CITADEL Editor

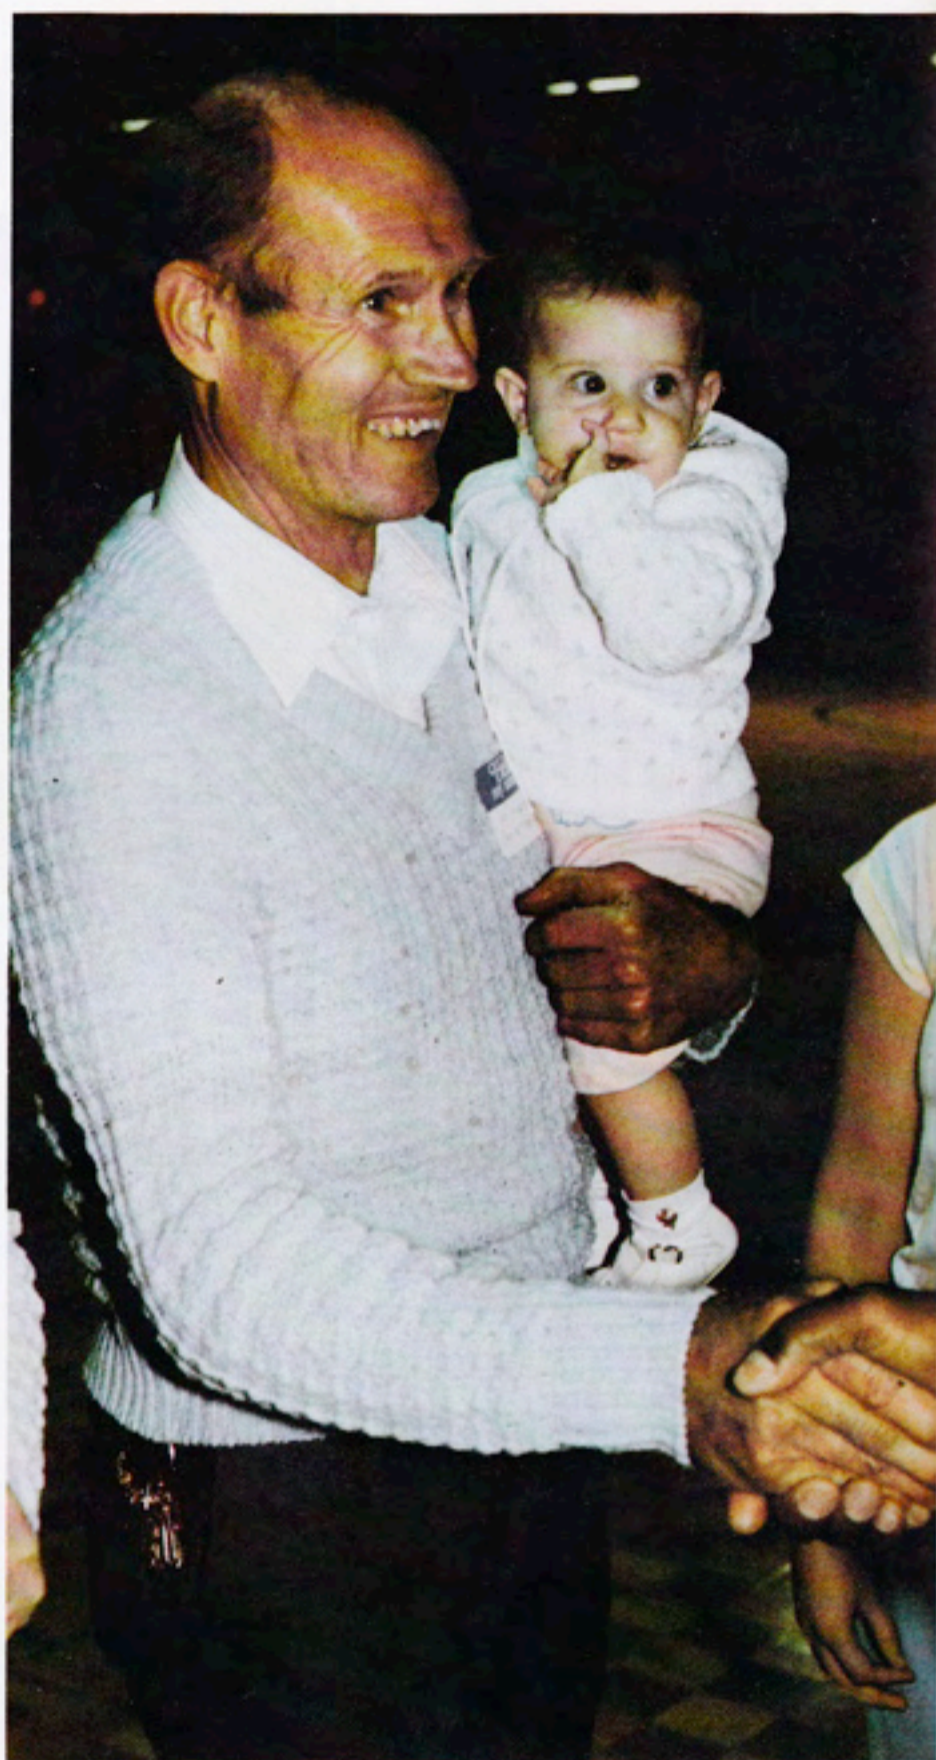

DEDICATION

We, the CITADEL Staff of 82-83, have chosen to dedicate this yearbook to a man who in the past few years has put many long, hard hours of work into the care and continuance of this school.

During his daily activities, which may include caring for the apple orchard, repairing leaks, fixing doors, or installing windows, he has always done his best to influence all those around him to be more Christ-like, which is the most important thing of all.

Many times he has gone unrewarded and unthanked for his toils, and in some small way we would like to show our appreciation to Mr. Joe Breyer.

Thank-you.

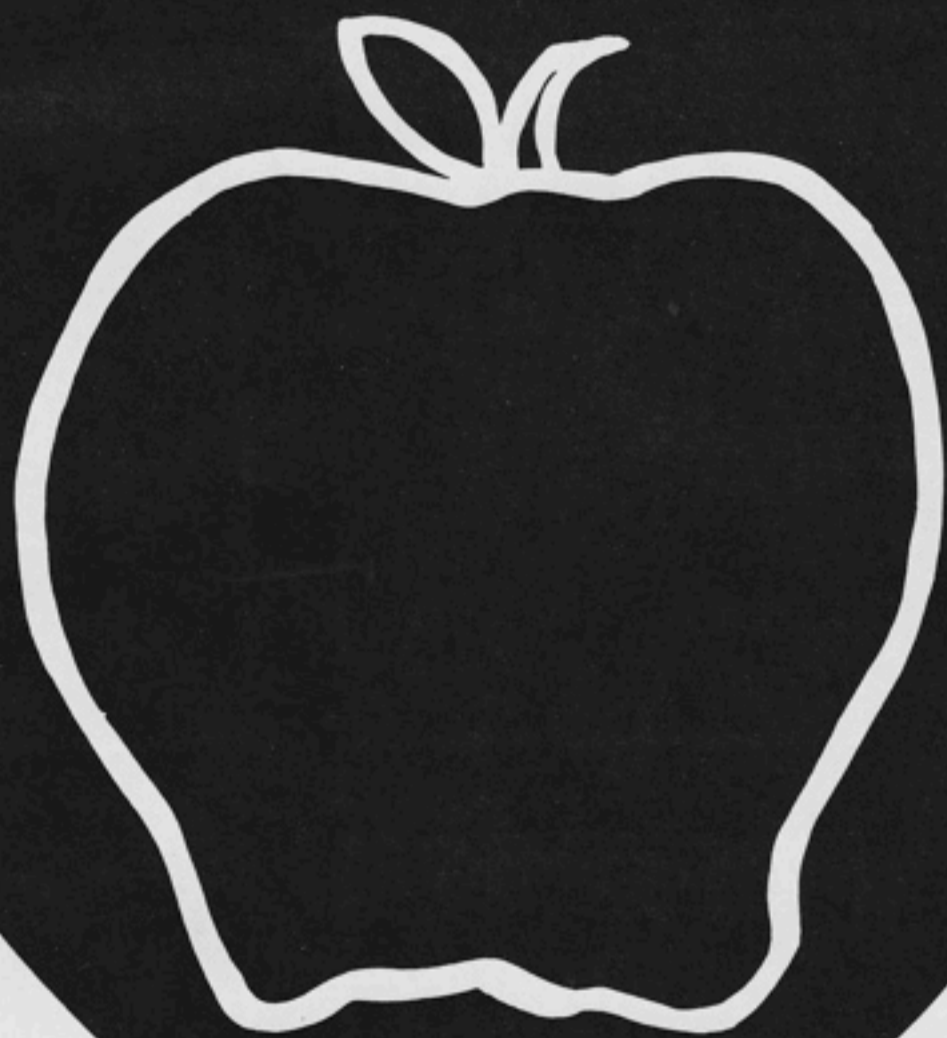

TO THE CLASS OF 1983

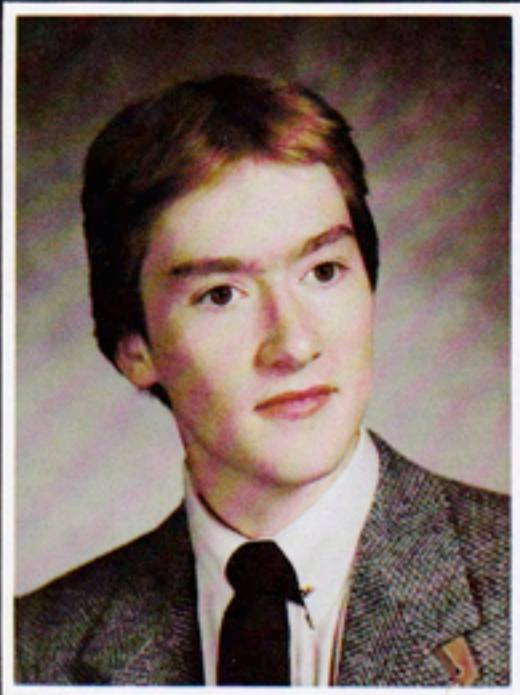

From the days of the first rubber ducky, to the year the dorms got brand new, air-tight windows; from our Sophomore class victory of 83-to-11 in a basketball game against the Freshmen, to the loss of our WINDSCRIPT campaign; from the year of the heavily falling snows, to the Senior president falling from the skies — These have been years filled with excitement, joy, and sorrow. We've made many friends that will remain in our memories for life. Now, we stand at the door of adulthood. Let us not forget the motto we have chosen as a class: "Aim high, and spare no pains to reach the standard."

Class Sponsors: Mr. and Mrs. Holman and Roland, Mr. and Mrs. Breyer

COMMITTEES

Senior Privileges: Cathy Eaton, Dan Beisiegel, Lisa Dixon

This year the seniors prepared for graduation and planned various activities, with the assistance of several committees. These committees had the task of initiating ideas, which they submitted to the class officers. This proved helpful in bringing in ideas from the class as a whole and relieved some of the burden placed on the officers.

A.S.B.

The Associated Student Body officers have done a good job planning and organizing many of the activities on our campus. We started out the year with the Handshake, which gave us an opportunity to get to know one another. This helped to start us out on a good note, and the watermelon feed and games afterwards were fun. The A.S.B. also sponsors other activities throughout the year, including the Fall and Spring picnics, Fall Festival, Christmas Supper, Talent Show, and International Supper.

Coach Holman. He's grown to be a special part of our team and he's taken a special place in our hearts during his 1½ year stay. When the team would get down, Coach had a way of buoying our spirits up by his light-hearted approach. He was the optimist that added life to our team.

Coach, you're "awesome," and we're glad to have had the opportunity to work with you.

SKI CLUB

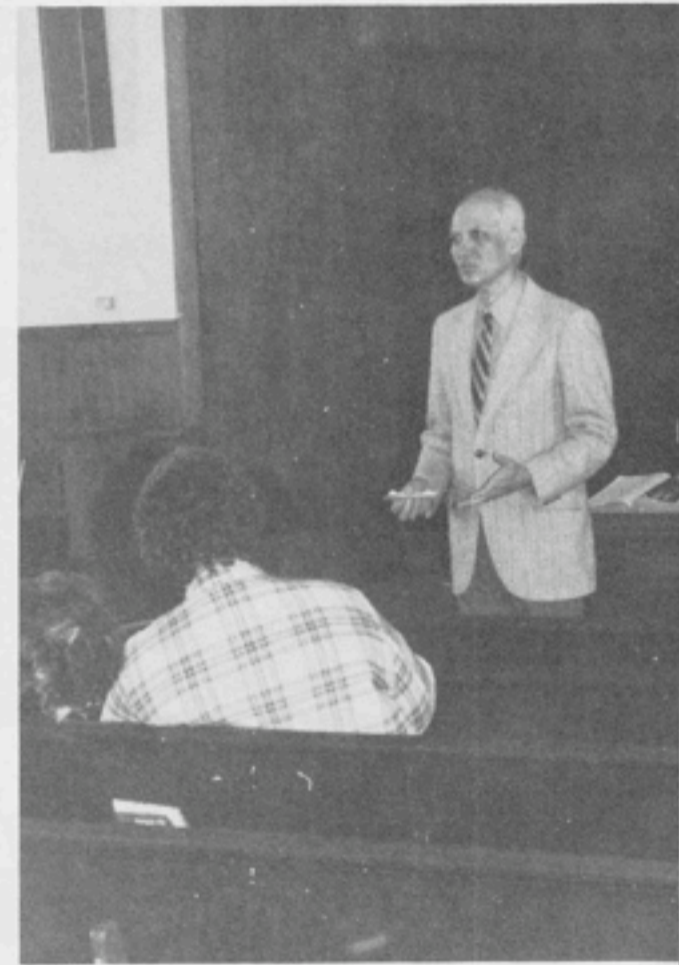

PARENTS' ASSOCIATION

The Parents' Association, under the leadership of Dr. and Mrs. Simon Witter, has been active this year in various projects. Last year the fundraising project for energy-saving windows was started, and this year the windows were installed. In order to raise funds, they have sponsored flea markets and bake sales and sold bread, honey, and candles.

We thank Dr. and Mrs. Witter and all of those parents who have put time, effort, and money into making the Parents' Association a success.

Sponsored by Dr. and Mrs. Simon Witter

Remember all the different trips that we took while being a part of a choral group? Time spent in choir rehearsal was repaid, especially in our Christmas performances at the North Brookfield Congregational, Worcester, and P.V.A. churches. Clarions can look back on Miss Robison's enthusiasm and interest in tone and expression. We had a fun time at Camp Putnam and our Sabbath morning concerts at churches in the area. Ensemble had

their fun times too. The weekend to the Pittsfield and Shelburn Falls churches, when we stayed at Beisiegel's, and the many other churches at which we sang and were blessed with good offerings and delicious food, will be cherished by all of us. Remember singing, "Oh friend, do you love Jesus?" on the way back to school? These special moments helped to make our school routine a little more challenging and different.

ACTIVITIES

RELIGIOUS ACTIVITIES

Dear Elder Lorntz,

The student body of Pioneer Valley Academy would like to express their appreciation for the thought-provoking week of prayer you gave to us. Thank you for the lively song services, the inspiring talks, and your willingness to listen to us. It was a week any of us would enjoy repeating.

Elder Stevenson directs the religious activities of our campus. His witty conversation and youthful outlook make him a well-liked and effective pastor.

One wintry Saturday night in the month of December, PVA church members and students braved the cold in order to share some of Christ and Christmas with our community members. We sang carols and handed out a brightly wrapped Steps To Christ along with a small loaf of homemade bread. The community seemed surprised and pleased by our efforts.

What's a sure way to make a Sabbath afternoon sunny? Be part PVA's sunshine bands and add a little brightness to the life of the residents of Quaboag Nursing Home.

This year a new idea was added to that of just singing to the elderly. Each student chose a "grandparent" and made a special effort to visit him or her each week.

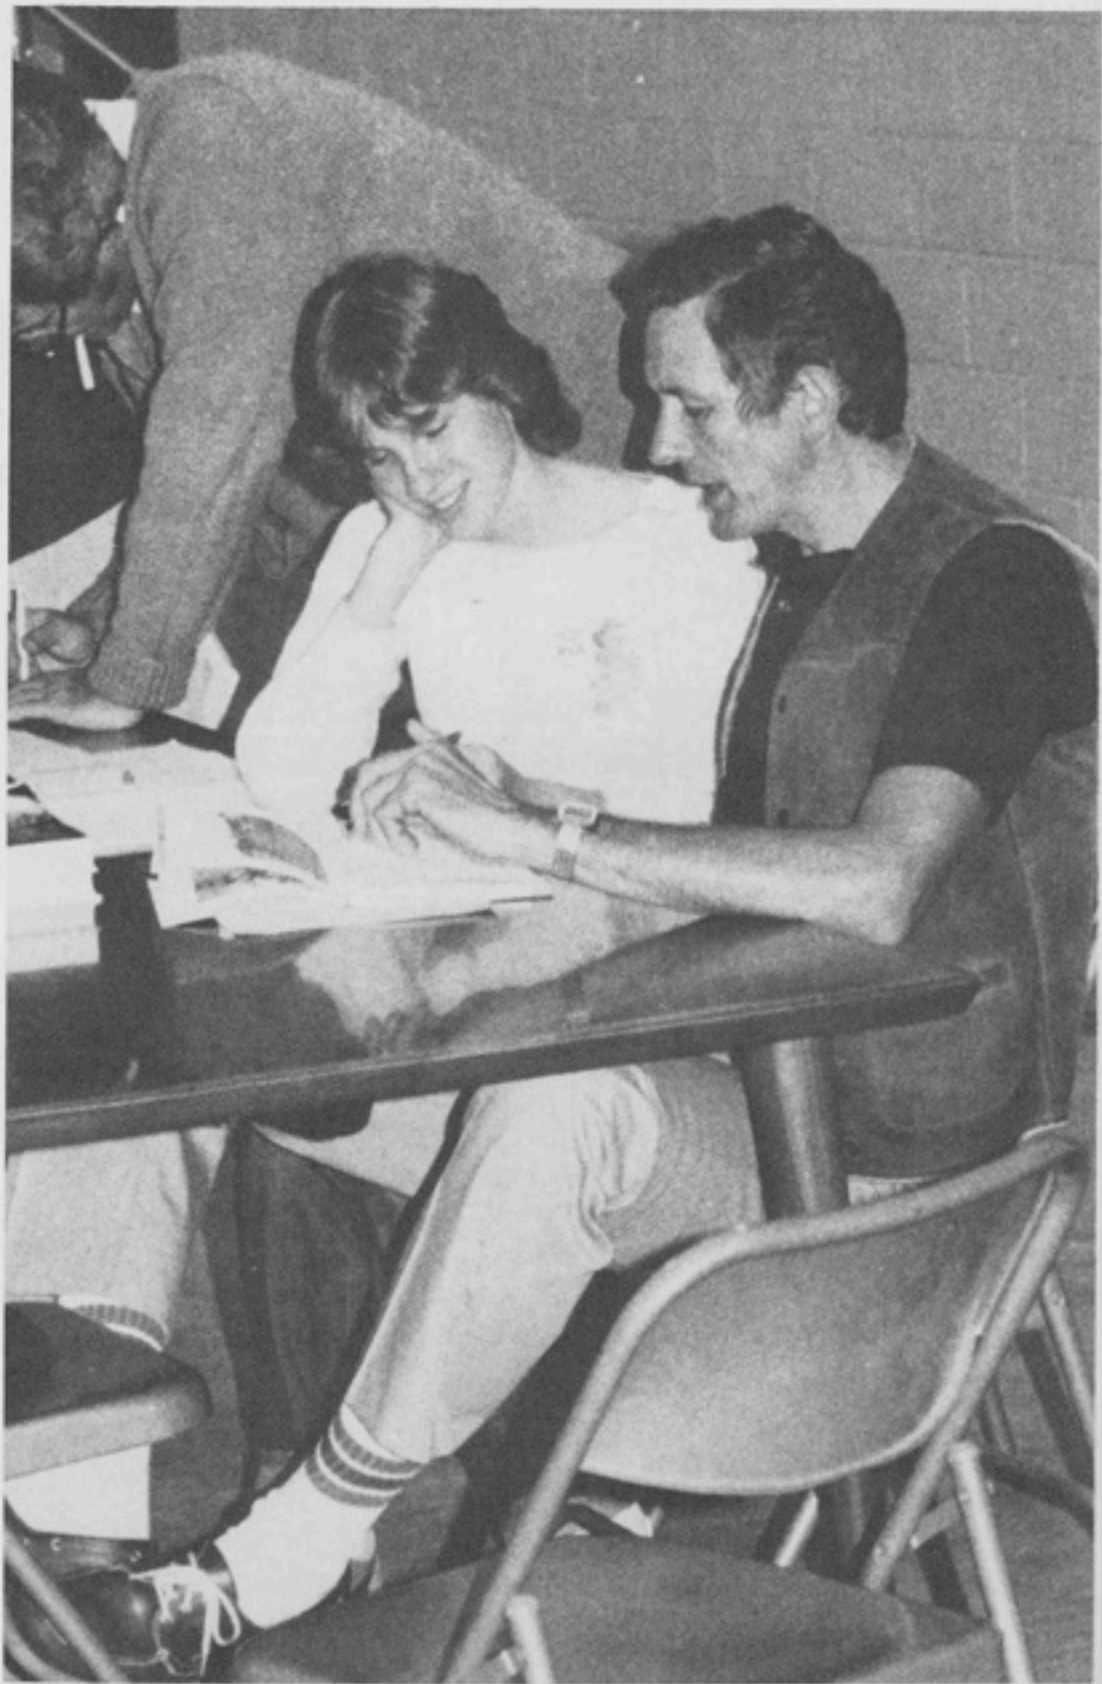

The "adopt - grandparent" program proved to be a blessing for both young and old alike.

The Pioneer Valley Academy Church added a new dimension to the Ingathering program this year. The PVA Brass and Vocal Ensembles performed twice at the Hampshire Mall in Amherst, Massachusetts. Working along with the performers were solicitors who introduced holiday shoppers to the church and its world relief efforts. God greatly blessed this venture, and all who took part gained a blessing themselves.

SATURDAY

NITE FEVER

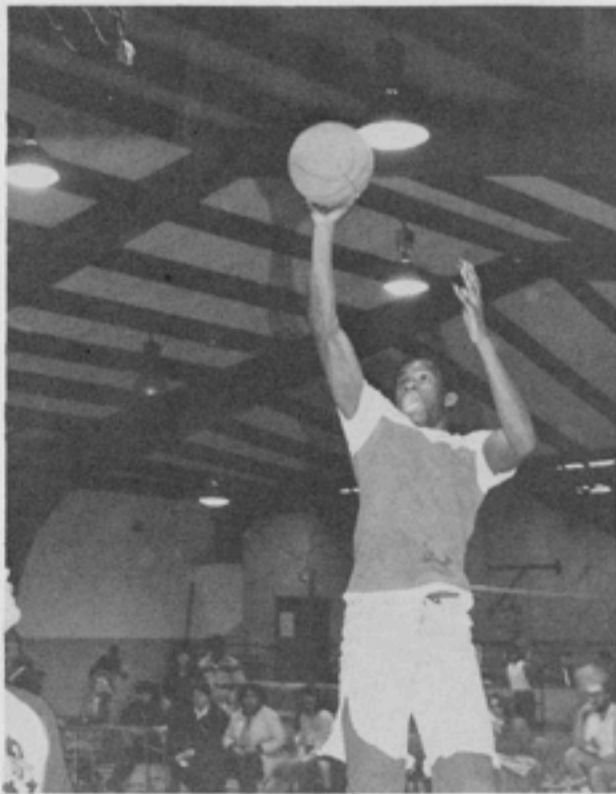

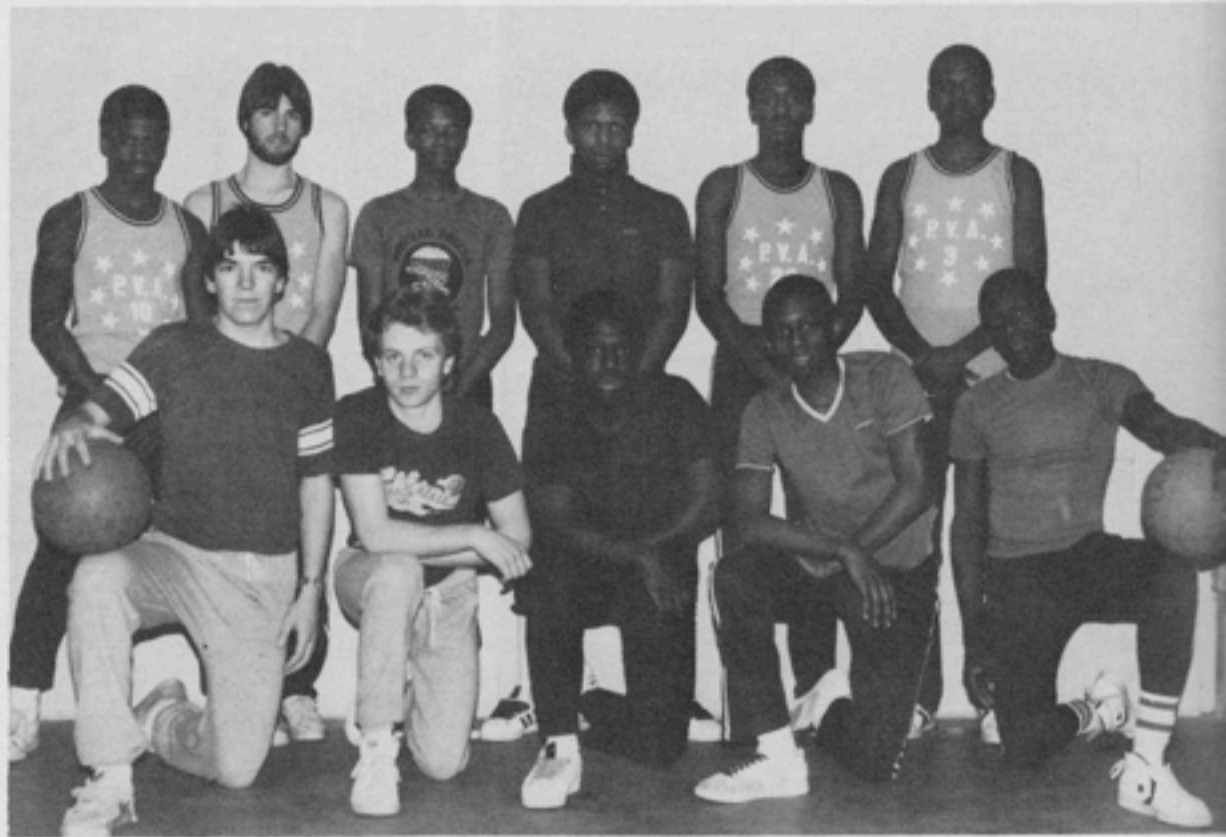

On Saturday night at PVA we never know what to expect. The first Saturday night of the year was the Handshake, ending with a Watermelon Feed. One of the more popular activities seemed to be rollerskating (although some spent the greatest part of the time on the floor). Our gifted faculty, whose talent up until the Faculty Talent Show had remained concealed, astounded us all with performances which gave evidence of inborn giftedness. The Variety Hour was a chance for us to get together as classes, and show our abilities in rushing various items to the center of the gym, naming tunes, arranging letters in correct sequence, and knowing obscure facts. One Saturday night, AUC's touring choir, Cantus, featuring several PVA alumni, was on our campus.

We've all been able to have fun on Saturday nights, if we were willing to take part in the activities.

The exciting
new field
of health care
awaits you.

New field? Yes. Health care has been around as long as people, but almost everyday it's a new field because it's constantly changing and developing innovative approaches.

If you're going on with your studies, look into the health care field. And if you'd like to get into health care right now, we've got scores of programs to train you for whatever area you'd like to work in.

Health care. An exciting new field for interesting young people. Like you.

Attend a neighborhood school.

Front Row: Ellen G. White, Louisa May Alcott. Second Row: The Boston Celtics, Joseph Bates, Martin Edson. Third Row: George Washington, Henry David Thoreau, Paul Revere. Back Row: The Boston Red Sox.

Those people standing there by the headline have something in common. They're our next door neighbors! And all the places and things that make those folks so special are within minutes of AUC.

You see Atlantic Union College is in a neighborhood like no other. Our neighborhood has roots that go back over 350 years! And those roots are alive today.

Spend some time with us and Louisa May will introduce you to her "Little Women." You can drop by our Wayside Inn or walk through the solitude of Walden with Henry David.

Just ask Paul to give the word and the American Revolution will explode all over again. Just down the street and when George shows up with his army, he (and the British) will put you in the thick of the battle. At places like Cambridge, Charlestown, Lexington and Concord.

Share in the discovery of the Advent Message with Ellen, Joseph and Hiram. Feel its power. As it happens where it happened. Right here in our neighborhood.

And don't forget that our Patriots have always (pardon the pun) been known for their teamwork. Or that we're known for our teams.

Discover September in New England and jog along the Cape Cod shore. Thrill to the sounds of the Boston Pops and study in the company of distinguished Christian scholars. It's all here. But only here.

Join us next semester and we'll show you why our neighborhood school is like no other. Anywhere.

Dear Wendy,

Congratulations on all you have accomplished. We are very proud of you, dear! May you continue to love the Lord and always put Him first in your life.

Love always,
Mom & Dad

Congratulations, Kathy and Andy!

Love,
Mom & Dad

Dear Gordon,

We are very proud that you are our son. We wish you much happiness and success in life as you continue your education, and serve the Lord in all that you do.

Our love always,
- Mom & Dad

ACKNOWLEDGEMENTS

In making a yearbook like this,
Life isn't all glory and bliss.
The nights are quite late,
And some work we hate,
Because of activities we miss.
So we'd like to express appreciation
To these people, for their work and creation;
For helping all year,
Expressing good cheer;
We believe they deserve an ovation.

Dr. Beisiegel — for information concerning the apple orchard.

Wendy Vaz — for all the apple artwork.

Miss Kim Ihrig and Mr. Matt Wlasniewski — for providing transportation to sell advertisements, and for their help with photography.

Bruce DiBernardo and Joel Rivas — for helping with photography.

Loring Studios — for taking senior pictures and providing film and processing.

O'Conner Studios — for taking undergraduate pictures.

Mrs. Sue Kanen — for allowing us the use of her art room for late-night work sessions.

All faculty (especially Miss Robison) — for putting up with us after those late-night work sessions.

Dan Beisiegel and Dean Kanen — for stale Doritos with bogus chip dip and others who provided real nourishment which kept us going during the long nights.
